WATCHMAN WARNING brings (1) warning that God's endtime judgment is coming on the church & world, (2) new insights to Revelation, & (3) a strategic grasp of prophecy. Signs show that Revelation's events, which end history, have started. The fourth-seal war will soon thrust people into divine discipline for their sin. Christians will be persecuted in judgment or as a witness. The presented Pattern View of prophecy, founded on more than 30 doctrines, helps to resolve the issues between holders of different prophetic views. It is presented as a proposal to the church, so she will proclaim the Watchman Warning & train her people. It shows that the endtimes unfold in the sequence of apostasy, calamity, discipline, deliverance, & retribution. The Tribulation includes calamity & discipline. The church's Rapture brings deliverance, & the judgment of the nations enacts retribution. This text presents happenings that people will experience & develops the theological background showing why & how the endtimes unfold. WATCHMAN WARNING presents both an encouragement & a plan to train people, including children, to be self-sustaining in Christ - living by faith - before the greatest spiritual warfare in history unfolds.
