

To Room Nineteen, , , 2002, Doris May Lessing, 0007143001, 9780007143009, Flamingo, 2002

The grande dame of English Literature -- some of her most perceptive, most revelatory stories, beautifully repackaged For more than four decades, Doris Lessing's work has observed the passion and confusion of human relations, holding a mirror up to our selves in her unflinching dissection of the everyday. From the magnificent 'To Room Nineteen', a study of a dry, controlled middle class marriage 'grounded in intelligence', to the shocking 'A Woman on the Roof', where a workman becomes obsessed with a pretty sunbather, this superb collection of stories, written over four decades, from the 1950s to the 1990s bears stunning witness to Doris Lessing's perspective on the human condition.
